

2019 Special Events

Employee Craftsmanship Demonstrations

Tuesday through Friday

March 12 – 15 ♦ June 25 – 28 ♦ July 23 – 26

Open 8:30 a.m. – 5:30 p.m. ♦ Last Tour at 4:30 p.m.

1st Floor Activities

Witness Intaglio engraving artisanship at the engraver's workbench.

Currency design activity for ages 8-18.
9:00 a.m. – 11:00 a.m./1:00 p.m. – 4:00 p.m.

See how currency was printed circa 1900 at the refurbished spider press.

2nd Floor Activities

Learn about plate making for offset printing presses.

See damaged notes reconstructed piece-by-piece (March only).

Learn how Intaglio printing plates are "grown" in a nickel solution.

The Bureau of Engraving and Printing's Western Currency Facility produces over half of the nation's currency order. Come see billions of dollars as you take the self-guided tour on the elevated walkway above the production floor and learn about the history of United States paper currency.
